- **Winner** - Sustainability Award 2022
- **Winner** - Primary Producer Award 2020

About feather&PECK

- Founded in **2016**.
- Based in Willunga SA
- Grade, pack, market, sell and deliver premium pasture-raised eggs sourced from farms across the Fleurieu Peninsula.

200+ Customers

- CRG Foodlands, Drakes, Woolworths, Foodlands, Tony&Marks, Independent Grocers, Butchers, Greengrocers, Providores
- Restaurants, cafes, artisan food manufacturers

- South Australia's **first** pasture-raised liquid whole egg produced from SA family farms.
- Less than **150 hens** per hectare
 - (20x lower than industry 'free-range' stocking densities.)
- **Hens** move weekly to new pasture to naturally forage and are fed a non-soy local grain feed.
- **Accredited pasture-raised farming process** - committed to regenerative agriculture, reducing carbon in the atmosphere and enhancing the soil.

Enhanced environmental impact: sequester atmospheric carbon and rebuild soil, increased biodiversity and water retention, reduction in pesticides and herbicides, lower energy footprint than conventional egg production.

Intentional social impact: collaboration of 7+ family farms supporting regional viability and direct economic benefit to rural communities. Superior hen welfare due to low-stress environment.

Transparent governance and supply chain traceability: vertically integrated supply chain from farms to packing facility to delivery. Produced in a HACCP certified facility.

ESG

- Superior **blended whole egg** - not centrifuged preserving natural nutritional profile.
- Increase **food safety** (pasteurised) and shelf life (frozen).
- Improve **labour efficiency** - no more cracking
- **Reduce risk, waste and storage space** when handling high volumes of egg.
- Enhanced **nutritional profile:** elevated Omega-3, Vitamin E, beta-carotene from pasture diet
- 1 box equivalent to 200 Large eggs

**Enjoy premium results
with the eggs that chefs love.**
